A Voice Artist's Introduction To Vox

By now you've heard a little about South Africa's first Internet Voice Search Database **vox.org.za**. Recently revamped and re-launched, the exciting new **vox.org.za** is still a well-respected and used resource for voice artist searches.

What is vox.org.za all about and how does it affect you, the Voice Artist?

vox.org.za exists to enable creative people to search for voices, listen to them and make contact with the relevant agent/person to book them.

Creative Directors at Ad agencies want to find the right voice with the click of a MOUSE and they want the Account Executive and the client to hear it immediately too, so they can approve it and the Ad can be recorded now! Gone are the days of fetching voice sample CD's and listening to voice samples down the phone line.

Thanks to **vox.org.za** voice searches can now be done by Gender, Tone, Accent, Name, Notable Ads, Character Voices, etc. We are continually adding new voices to the **vox.org.za** database and promoting the site within industry, exposing your voice to advertising agencies and potential clients. And, we offer YOU, the Voice Artist, 3 simple options to get your Voice Artists onto **vox.org.za**.

All 3 options are ONCE-OFF (i.e. NO Annual Fees) and include the following...

Listing of your three 15 second voice samples on the **vox.org.za** database, together with a comprehensive description of your abilities, accents, languages, notable ads done Etc. And, you will be passively represented by **The Nearly Famous Voice Artist's Agency**.

Option 1- R500 (once-off)

You provide us with your three 15second voice clips. (Subject to certain quality standards)

Option 2- R900 (once-off)

We'll record your three 15 second voice clips in our Randburg studios.

Option 3 – R1,300 (once-off)

We'll record your three 15 second voice clips in our Randburg Studios after a one-on-one script selection, training, rehearsal and coaching session with one of our appointed Voice Artists.

Additional samples and changes

Additional samples (up to a maximum of 10 clips in total) can be up-loaded at any time. For example you may want to showcase a popular or well-known ad, or add character voices over time. A charge of only R150 per additional clip applies, and the same is charged for an update/change to your personal profile.

Whether you choose option 1,2 or 3, we look forward to including YOUR VOICE on **vox.org.za**. For more details or to book to record/join, email gavin@vox.org.za or call me on 083 227 1409

Yours sincerely
